RESOLUTION 17065: Request the Board of Trustees of the Tacoma Public Library to reserve $50,000 (Tacoma Public Library Biennial 2017-18 Budget - Operating Enhancements “Staff for Library at McCarver Elementary”) for a literacy project sponsored by the Hilltop Library Committee.

The Hilltop Library Committee advocated for a pilot program to support elementary school students from the Hilltop area with after-school literacy and homework help. The Committee asked for $50,000 for two contract positions (Children’s Librarian and a Library Associate) to support a 12-hour per week schedule. The pilot program assumed a partnership with the after-school use of the library at McCarver Elementary School. However, when the school was completely re-modelled, the design of the school library was an open-concept arrangement and thus not conducive to after-school use. The Library and the Committee attempted to re-design the program within the $50,000 budget. A modified program was attempted during the summer program at McCarver. It became apparent that there was insufficient budget to provide both the necessary materials and staff to make the program successful. It exposed expectations that were not
realistic. However, there is an opportunity for the Hilltop Library Committee to use this information to design a future literacy project on the Hilltop utilizing these funds.

RESOLVED, That the Board reserves $50,000 (Tacoma Public Library Biennial 2017-18 Budget - Operating Enhancements “Staff for Library at McCarver Elementary”) for a literacy project sponsored by the Hilltop Library Committee.
The motion was moved, seconded, and passed.

RESOLVED, That the Board accepts the $50 donation from Clayna Robertson and Cynthia.
