DIRECTOR'S REPORT
Libraries Transform Tacoma – 3 of the 15 meetings remain. Meeting locations are Tacoma Community House (for TCH students only), Tacoma Community College, and the Wheelock branch.

Circulation numbers are continuing to trend up overall even though South Tacoma was closed during the month of September. Electronic material checkouts continue to see significant growth.

Materials processing time continues to hold steady at around ~7 business days.

Patrons now have a 3-day grace period after the due date to return items and avoid being charged. This is to compensate for the days the library is closed. If an item is returned within 3 days of the due date, no fees will be charged. However, if items are not returned by the 4th day, accounts are charged for all 4 days the item is overdue.

The Library has also improved access to public computing resources by changing the time expiration notices and greatly increasing the time allotted to guest pass users.

Three library staff attended the Harwood Institute’s Public Innovators Lab for Libraries from October 9-11 in Salt Lake City. Their travel and participation was funded by a grant from the Washington State Library. The attendees will report on their experience at December’s board meeting.

The South Tacoma refresh is on schedule. Shelving has been re-installed on new carpet, the large teen area is framed, fun new learning features will be installed soon in the children’s area; most furniture in the public areas is being replaced. The tentative re-opening party is scheduled for Saturday, December 1.

The City has reported that construction on the Hailey building continues to be delayed. They are hoping for project completion in the first quarter of 2020.

Assistant Library Director interviews have been scheduled.

The United for Libraries Institute for Trustees, Friends and Foundations is on January 26, as part of the ALA’s midwinter meeting in Seattle.

This summer, students from the South End neighborhood of Tacoma participated in the conception, design, and painting of a triptych mural depicting the life of local Native American Indian Henry and the trading trails that run through the South End of Tacoma. This project was sponsored by a grant from the South End Neighborhood Council in conjunction with Centro Latino of Tacoma and the Library.

Library Director Annual Review: Trustees should receive the 360 report before or by the November board meeting. Trustees will also receive a link to the standard evaluation form in November. Both the self-evaluation and the Trustee evaluations should be
completed by December 7. The combined evaluations will be sent to the Board and the director on December 14, with the performance review in executive session at the December 19 Board of Trustee meeting.
