Children’s Reading Log  Ages 6 to 12

Mark one shape on the path for each 20 minutes spent reading. See if you can make it to the finish line! Activities suggested below may be substituted for reading minutes and may be done more than once. Each activity completed counts towards 20 minutes spent reading.

ACTIVITIES
Do a craft or STEAM activity from the library’s YouTube account.
Draw a self-portrait as a unicorn or a dragon.
Watch an online library program.
Write or draw a story with a beginning, middle, and end.
Go on a family walk in your neighborhood.
Read outdoors.
Make a healthy snack and have an indoor or backyard picnic.
Pop some popcorn and have a family movie night.
Make up a fantasy story with a griffin, gnome, or other fantastical creature.
Try a new food.
Do a random act of kindness.
Write and send a card or letter to a friend.
