Grand Old Duke of York
Oh, the Grand Old Duke of York
He had 10 thousand men
He marched them up to the top of the hill
And marched them down again
And when they were up, they were up
And when they were down they were down
And when they were halfway up
They were neither up nor down

**The Elevator Song**  
*Tune: Do Your Ears Hang Low*  
Oh, the city is great and the city is grand  
There are lots of tall buildings on a little piece of land  
And we live way up on the 57th floor  
And this is what we do when we go out the door  
Take the elevator up, take the elevator down  
Take the elevator up, take the elevator down  
Take the elevator up, take the elevator down  
Then we turn around.
