## Did You Ever See a....

Tune: Did You Ever See a Lassie?)

Did you ever see a bunny, a bunny, a bunny  
Did you ever see a bunny hop out of a hat?

Did you ever see a clown... waddle this way and that?  
Did you ever see an acrobat... flip this way and that?  
Did you ever see a juggler... juggle this way and that?

## I Had a Little Red Balloon

I had a little red balloon  
And I blew, and I blew, and I blew.  
And it grew, and it grew, and it grew.  
I tossed it up in the air,  
And didn't let it drop.  
I bounced it on the ground,  
And it went "Pop!"

## Bouncing Balloons

This is the way we bounce the balloons  
bounce the balloons, bounce the balloons  
This is the way we bounce the balloons,  
gently in the air

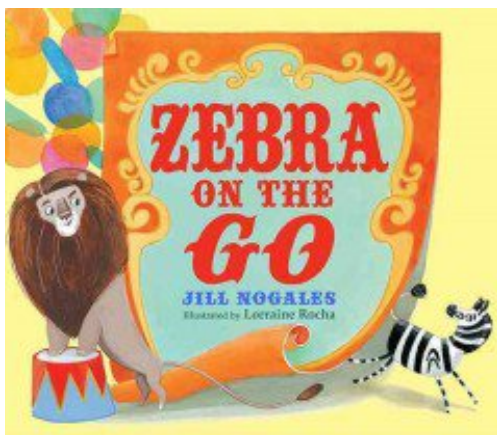

## Funny Clowns

Tune: Frere Jacques

Funny clowns, funny clowns,  
Jump around, jump around.  
Sometimes making faces,  
Sometimes running races.  
Funny clowns, funny clowns.  
Funny clowns, funny clowns,  
Spin around, spin around.  
Sometimes with a big nose,  
Sometimes with two big toes.  
Funny clowns, funny clowns

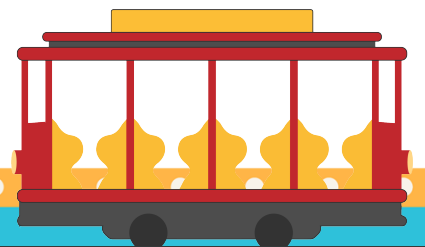

## Five Circus Seals

Five circus seals ready for a trick  
which color ball will each one pick?  
Let's match them up one by one  
Circus seals are so much fun!

## The Carnival Song

Tune: The Elevator Song

Oh, the carnival is great  
And the carnival is grand  
There are games and rides,  
Cotton candy in your hand  
Better get your ticket fast  
'Cause you don't want to be late  
This is what we do  
when we go through the gate  
Ride the roller coaster up  
Ride the roller coaster down  
Ride the roller coaster up  
Ride the roller coaster down  
Ride the roller coaster up  
Ride the roller coaster down  
And we turn around

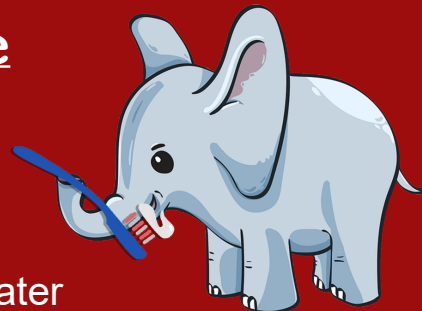

## Circus Clown

Circus Clown, Circus Clown  
Paint your Face  
Circus Clown, Circus Clown  
Run in Place  
Circus Clown, Circus Clown  
Beep your nose  
Circus Clown, Circus Clown  
Touch your toes  
Circus Clown, Circus Clown  
Laugh out loud  
Circus Clown, Circus Clown  
Blow kisses to the crowd  
Circus Clown, Circus Clown  
Take a Bow  
Circus Clown, Circus Clown  
that's all for now

## Circus Activity - Elephant Toothpaste

**ADULT SUPERVISION REQUIRED!\*\***

The reaction between the yeast and the peroxide can be HOT.  
DO NOT touch until after the reaction has stopped!

- Plastic bottle
- Dawn dish soap
- 1/2 cup hydrogen peroxide
- 1 tsp. yeast
- 2 tbs. very warm water
- Food coloring
- Pan or bowl to contain the foam
- Funnel (optional)

1) Mix the yeast and water together. Set aside for a few minutes until it foams, activates.

2) Set your plastic bottle into your pan and **have an adult** carefully pour in the hydrogen peroxide, a little bit of dish soap (about a tbsp. or so), and a few drops of food coloring.

3) When those ingredients have been added, give your bottle a little swirl to mix everything together.

4) Carefully pour the entire yeast mixture into the bottle and then stand back and watch the reaction!

**\*\* Have your children wear protective gear while working with these ingredients, even if an adult is the one to pour them and this foam should NOT be touched as it comes out of the bottle.**
