Bee Maze
Help the honey bee find its way back to the hive!

Waggle Dance
When a worker bee returns to the hive, it sometimes does a waggle dance. The special wiggle-waggle moves are actually directions that show other workers where to go to find flowers! Can you look at the picture and waggle dance like a honey bee?

Bees, bees, bees, bees
Buzzin' in bushes, buzzin' in trees
Buzzin' around, wherever they please
There's nothing so sweet
There's nothing so sweet
There's nothing so sweet as a honeybee!
Buzzzzzzzzzzz!

Clothespin Bee Craft

Materials:
- Clothespins
- Pipe cleaners
- Small yellow beads (optional)
- Black and yellow Sharpies
- Small googly eyes
- Glue
- Construction paper

Directions:
1. Decorate your clothespin with black and yellow stripes.
2. Fold paper in half and cut out wing shapes. Unfold each wing and glue in place.
3. Glue on googly eyes.
4. Cut pipe cleaner in half and discard one half. Thread one bead onto each tip, fold in half and hold in place with clothespin (or glue them on if you prefer).

Buzzworthy Bee Facts

- Worker bees are always female.
- Each hive has only one queen bee.
- Without bees, we wouldn't have fruits like apples, blueberries, cherries, cucumbers, strawberries, or melons.
- The honeybee is one of 20,000 species of bees.
- A honeybee visits hundreds of flowers each day, visiting each one with its feet!
