Five Hoot Owls

Five hoot owls sitting in a tree.
 One flew away! How many do you see?
 One, two, three, four.
 Four hoot owls sitting in a tree.
 One flew away! How many do you see?
 One, two, three.

Three hoot owls... etc.

Wise Old Owl

A wise old owl sat in an oak.
 The more he heard,
 The less he spoke.
 The less he spoke,
 The more he heard.
 Why aren't we all like that
 Wise old bird?

Fun Owl Fact

www.audubon.org/news/13-fun-facts-about-owls

Not all owls hoot!

Barn Owls make hissing sounds, the Eastern Screech-Owl whinnies like a horse, and Saw-whet Owls sound like, well, an old whetstone sharpening a saw.
 Hence the name.

Five Little Birds

One little bird with feathers of blue, flew beside the green one and then there were two.

Two little birds singing in the tree, the red one came to join them and then there were three.

Three little birds wishing there were more, along came the pink bird and then there were four.

Four little birds happy to be alive, found a yellow one and then there were five.

Five little birds happy as can be, singing beautiful songs just for you and me!
