

IDEA CHAMPIONS

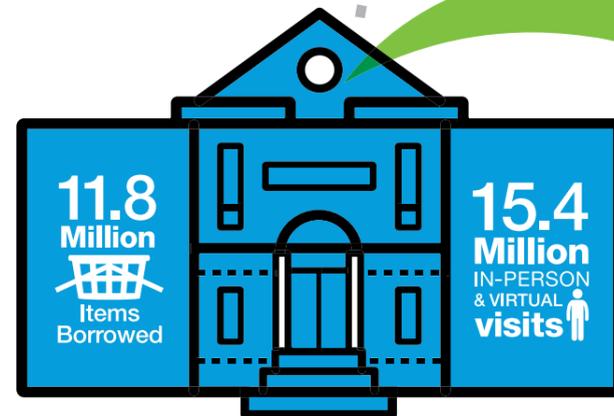

One of Edmonton's most used and best loved services, the Edmonton Public Library (EPL) continued to make a tremendous impact in 2017.

Together with Edmontonians, we seek knowledge, navigate information and activate our communities. Our passion for sharing combined with your endless support proves we are – and will remain – Idea Champions.

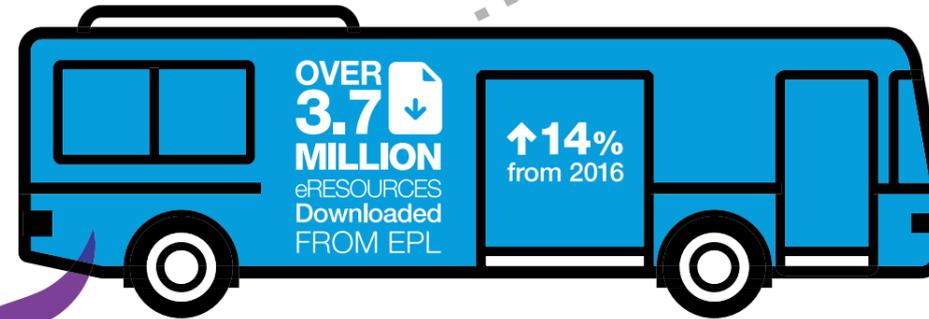

To view EPL's 2017 Annual Report in its entirety, visit epl.ca/2017report.

What does a FREE library card get you?

Every day, thousands of Edmontonians directly benefit from a wide variety of library services. Here is a taste of what you and other customers enjoyed last year.

You often stop by one of 21 EPL locations to pick up a recent bestselling book and the latest blockbuster movie.

On your commute, you listen to eAudiobooks, stream local music from Capital City Records and read digital magazines.

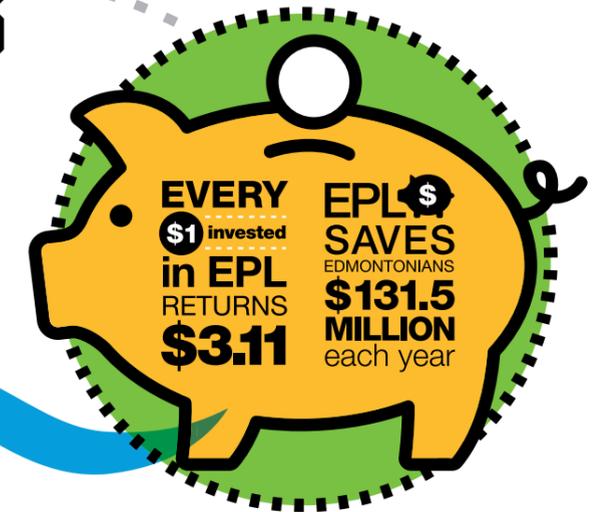

You support EPL's fundraising efforts for a new downtown branch by attending the EPL Gala and Forward Thinking Speaker Series events.

You bring your kids to Sing, Sign, Laugh and Learn or create with them in the Makerspace, as well as check out English Conversation Circles, book clubs and more.

In your spare time, you perfect your business writing via Lynda.com, learn the lingo of your next travel destination via Rosetta Stone Language Learning and help your kids study using Brainfuse.

It all starts with your FREE library card:
