

How to Download eBooks and Audiobooks Using Libby

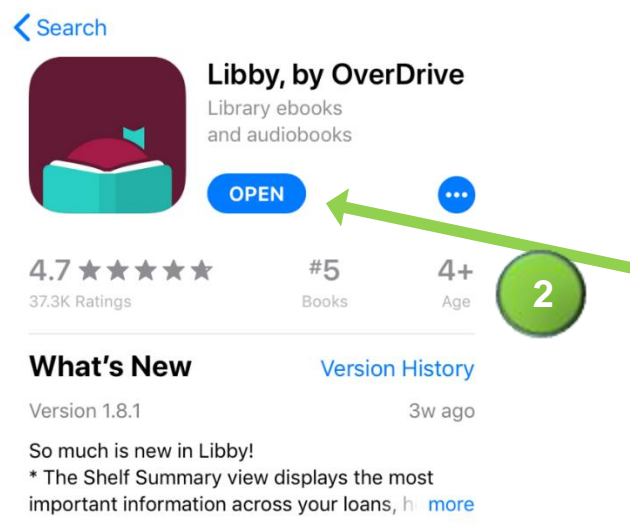

Search for Libby in your app store.

Use the **iTunes App Store** for Apple devices like **iPhone** or **iPad**.

Use **Google Play Store** for Android devices.

Google Play

Follow the instructions to install the app on your device.

Once installed, open the **Libby app** on your device.

In **Libby**, follow the prompts to find your library and sign in with a valid library card.

Welcome! Thousands of public libraries offer ebooks and audiobooks (for free!) in Libby. Let me ask you a few questions, to guide you to your library.

First question: do you have a **library card**?

Yes Not Yet

Set your **Preferences** in order to find what meets your interests.

Once you have found a title, you can listen to or read a sample, or simply **Borrow** the item to access it on your device.

Follow the prompts to install the material on your **Shelf**. This is where you can see all the digital material you have borrowed on Libby.

Once it is checked out, you can **Open** the audiobook or ebook in the app.
