

How do I get started with Acorn TV?

Last updated: June 24, 2019

Acorn TV is a streaming platform that provides access to some of Britain's best TV and movies. This platform offers unlimited viewing based on weekly passes. Customers can check out new weekly passes every week.

You will need to register for an [RB Digital account](#) to access a streaming pass. Once your RB Digital account is set up, get started with these steps:

1. [Log in to RB Digital](#), and navigate towards the left hand side of the screen. Click on the 'Entertainment' tab.

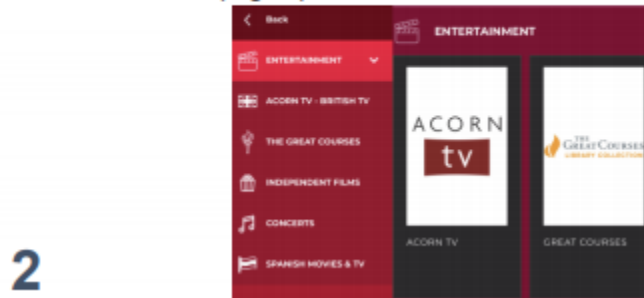

Open the menu and tap **ENTERTAINMENT**.

2. Click on the Acorn TV section.

Tap the desired entertainment service.

The service detail page opens.

3. Click on 'Access'. Customers will be brought to a new page that will open up access to Acorn TV.

Spread the words.

Tap **ACCESS** to checkout a 7-day access pass.

The entertainment service will open in your desktop or mobile browser.

3

After the weekly pass has expired, customers will be able to return to RB Digital and check out another one.
