Media Advisory: EPL celebrates new Londonderry Branch

Library relocates within Londonderry Mall to prime main floor space

EDMONTON, AB, October 3, 2018 – Join the Edmonton Public Library (EPL) to say hello to our new Londonderry Branch.

The library branch is now in a prime location on the main floor of Londonderry Mall, providing a brighter and more accessible space for customers. The 9,700 square foot space features computer workstations, makerspace equipment to support learning and creating, a quiet study room, a children's area complete with iPads and large interactive panels that spark imagination, and a program room 400 square feet larger than the previous one.

The new Londonderry Branch is the third EPL building project to open in 2018.

We're celebrating with a donut wall, family entertainment and more!
