

- **Why Should I Apply for this Internship?**

- Benefits

- You'll be part of an important County-wide program focused on eliminating the achievement gap and ensuring that 80% of San Mateo County 3rd graders read proficiently -- currently only about half do.
- You'll work closely with a team to help children learn, explore and grow -- we know you're going to make an impact.
- You'll help kids make hypotheses, and you'll help them make slime! You'll help make learning fun for kids, while having some fun yourself.
- These internships look great on resumes, and we offer opportunities for letters of recommendation.
- This is a great professional development opportunity if you have an interest in working with children or in the early childhood development and education field.
- You'll gain insight on employment opportunities within San Mateo County Libraries and understand what libraries today do.

- Thoughts from our former Learning Facilitator Interns

- "It was an honor working with children and many many of the parents loved the program! A lot showed their appreciation and loved the difference they saw in their children with only five weeks. The growth both academic and behavior. Keep up the good work!"
- "It's a great program and I'm honored to be a part of the children's learning experience."
- "...I had fun this year...and I'll be more than happy to come back next year."
- "Great program to work for. I enjoyed being a part of a program that fosters positive growth and development for children."
- "I had a great time and I'm so honored that I got another opportunity to work with this program again. Thank you is really all I have to say because every time I work with this organization I feel nothing but happiness."
