BINGO!

Read for
fun this
summer!

HOW IT WORKS

Complete and mark off any of the activities in the following Bingo squares. When you accomplish a BINGO, five in a line in any direction, it's time to celebrate a job well done. Happy reading!

Summer Reading is simplified this year. To emphasize the intangible rewards of reading, the library will not be offering prizes. Therefore, there is no need to register for Summer Reading or to return your BINGO sheet to the library. For those who would like to celebrate reading success, check out our fun and free reward ideas. Start playing, and discover new genres and library resources with the whole family.
