Android Devices BPL Wireless Connection Instructions

1. On the Home Screen, select **Settings**. If Setting is not on Home Screen, Open All Applications:

   ![Setting icon]

2. In Settings options, Select **Wi-Fi**:

   ![Wi-Fi settings]

3. In Wi-Fi Options, Turn Wi-Fi **On** if it’s off. Select the **BostonPublicLibrary** SSID:

   ![Wi-Fi options]
4. If a pop-up appears indicating you are connecting to an unsecured network, click **Connect**:

![Wi-Fi Connection Pop-Up](image)

5. If the Boston Public Library Splash Screen does not appear, Open web browser and go to bpl.org. Once the splash screen appears, click **Submit**:

![Splash Screen](image)

You are now connected to the Boston Public Library Wi-Fi.
