AGING 3-5: Repetition is helpful for learning.
Do these activities as many times as you want.

- Sing the ABCs in a silly voice.
- Make up a silly song about food.
- Learn a new shape. (Can you draw it?)
- Keep screens off all day.
- Do yoga poses together. List body parts.
- Look at a picture of a habitat in a book.
- Talk about colors you see in your neighborhood.
- Make flaps. Describe the activities with them.
- Sing a favorite nursery rhyme.
- Touch 5 items around your home. Describe them.
- Find 5 smells around your home. Describe them.
- Pretend to be an animal. Who are you?
- Make a drum. Tap a beat.
- Talk about the letters in your child’s name.

AGING 6-11
