

George Latimer Central Hold Tunnel Locker Access

Elevator Access:

The elevator connecting the River/Xcel Center to the tunnel is currently out of order. For an accessible entrance to the tunnel and tunnel hold lockers you will go down Fourth Street and cross Market. Walk along Fourth Street until you see the CenturyLink building, it's a brown stone building that says River Centre Connection 2002 on it and go through the glass doors.

Take the elevator down to the tunnel. You will need to return to this elevator to exit and go up to Fourth Street and go out the River Centre Connection where you entered.

Follow the tunnel to the hold lockers.

Pick Up Your Items (Wait until Library Staff have called you to tell you items are ready before coming to pick them up.)

- Swipe your library card through the reader or enter the last 7 digits of your library card number on the keypad and hit enter/#.
- The door to the locker with your items will pop open.
- Your items are already checked out, so all you need to do is take them out of the locker and shut the door.

Skyways and the tunnel are open from 6:00 a.m. to 7:00 p.m.

To get back, turn around and go back the direction you came. You will need to return to the elevator you came down to exit and go up to Fourth Street and go out the River Centre Connection where you entered.
