EXECUTIVE TEAM OPERATIONAL UPDATES

Executive Director Report
The Executive Director advised the Board that she will provide a report at the meeting next week and that Julianne Rist, Director of Libraries is on the agenda next week and will provide more information about the Library reopening.

The Chair expressed appreciation to the Library staff on the massive effort that went into the reopening. It was logistically very challenging and ground breaking as not many librarians could say they reopened a library in a pandemic.

Trustee Anderson joined the meeting at 5:37 pm.

Strategy, Engagement and Finance
2021 Proposed Budget
The Executive Director advised the Board that Barbara Long, Assistant Director of Budget and Finance, has prepared a presentation outlining the 2021 proposed budget highlights. The Library is scheduled to present the proposed budget to the Board of County Commissioners at the 2021 Budget: Department Decision Package meeting on Monday, August 17.

Barbara Long addressed the Board and presented information on the 2021 proposed budget. The goal of this budget is to respond to changing economic times: going from more than seven years of growth to predicted decline and preparing for a steeper drop in property tax revenue from Gallagher.

Assumptions for 2021 Budget
- Property Tax Revenue Based on 4.5 Mills
- Increase in Salary Cost Estimated at 2.6%
• Benefits, Interest Revenue and County Charges Estimated

The Library and Library Board spent a lot of time looking at scenarios in June. The Board directed staff to use timing of capital projects to provide flexibility as we wait for more information.

5 & 10 Year Financial Model – Looking Towards the Future
• Financial Outlook 10 Years Out
• Property Tax Revenue Based on 4.5 Mill
• Assumes Gallagher Amendment in Effect
• Timing of Capital Projects: Alternative Services in 2021, Evergreen Begins in 2022, South County Begins in 2024

This budget takes a conservative approach to preserve options in light of unknowns. Preserving financial flexibility means saving fund balance for the next big capital projects: South County & Evergreen. For the first time, JCPL’s budget includes a capital projects sinking fund.

2021 Proposed Budget Highlights
• Preserve Financial Sustainability and Flexibility in a Changed Environment
• Pause on Large Capital Projects
• Scale Back on Staffing Additions
• Expand Alternative Services

Revenues and Expenses
Projected total revenue for 2021 is $47,078,996 and total projected expenses are $40,347,456. Investment income will likely decrease in the final budget.

2021 Capital Investments
Capital investments focus on taking care of taxpayer assets and expanding alternative services.

Long Term Plan – Fund Balance
The long term plan is driving the budget and reflects the need to save in the current year and in the 2021 budget to fund capital projects in the future. The fund balance picture does not look wonderful, but the proposed budget does give the Library time to respond to changing information as it comes in and update the budget based on actual information not just projections.

Letter to the Board of County Commissioners – 2021 Budget
**MOTION**: Jill Fellman moved that the Library Board of Trustees authorize the Chair to sign the letter to the Board of County Commissioners certifying the mill levy necessary to maintain and operate the library in 2021. (4.9.1). Seconded by Jeanne Lomba the motion passed by majority vote of all Trustees present with Trustee Bodnar voting no on the motion.

Trustee Bodnar addressed the Board and stated that his no vote is based on the order of capital projects discussed in previous meetings and, as stated before, he feels we could proceed with South County.

**2021 5-Year Capital Plan**

**MOTION**: Kim Johnson moved that the Library Board of Trustees authorize the Executive Director to submit the 2021 5-Year Capital Plan request to the Board of County Commissioners (4.2.5 C). Seconded by Pam Anderson the motion passed by majority vote of all Trustees present with Trustee Bodnar voting against the motion.

Trustee Bodnar addressed the Board and stated that due to moving South County to later he voted no on this item as well.

Trustee Anderson addressed the Board and expressed appreciation for work the staff did in pulling this budget together given everything else they are doing. She noted the amount of uncertainty, both professionally and personally, with the month to month variation in economic indicators. Usually five year plans are pretty stable and you can plan. We are in a unique circumstance. On the flip side, as we get more information we can adapt and be more flexible and we will need to continue to look at that. That ability is why she is supporting the capital plan.

Trustee Fellman addressed the Board and expressed her appreciation to Trustee Anderson for her comments throughout the budget discussions as they have been important and helpful to understanding the financial picture.

Trustee Johnson addressed the Board and expressed her appreciation to Trustee Anderson and Library staff. The flexibility the five year plan presents is remarkable during this time. That we can still leave a brand new branch in that plan is impressive.

**2021 Proposed Budget Plan**

**MOTION**: Kim Johnson moved that the Library Board of Trustees authorize the Executive Director to submit the 2021 Proposed Budget Plan to the Board of County Commissioners (4.2.5 C). Seconded by Jill Fellman the motion passed by majority vote of all Trustees present with Trustee Bodnar voting against the motion.
Trustee Bodnar addressed the Board and stated that his comments are similar as before. The 4.5 mils will take the fund balance close to one year’s operating expenses, exceeds public trust and is holding a lot in reserve. And, it is just a reserve and we have guaranteed income so he voted no for requesting 4.5 mils.

The Chair addressed the Board and stated that he appreciates the comments. These are extraordinary times and he was uncomfortable with the size of the fund balance but really appreciates the flexibility staff have given us and the ability to adjust. He noted that he is excited about moving forward quickly with South County and expressed appreciation for the hard work of the staff and Trustees.

Financial Review (June)
There were no questions from the Board regarding the June financials.

Public Services
Midwest Tape Contract Renewal Information
The Executive Director introduced the topic and advised the Board that Julianne Rist, Director of Libraries is present to answer any questions. There were no questions from the Board. The Trustees were advised that this item will appear on the consent agenda for authorization at the August 20, 2020 Library Board meeting.

Technology and Innovation
Standley Lake Sorter Amendment
The Executive Director introduced the topic and advised the Board that the Library is happy with this vendor and would like to move forward with the sorter amendment. In response to a question, the Board was advised that information on the current sorter at Standley Lake will be provided. The Board was further advised that this item will be pulled from the consent agenda for the August 20, 2020 Board meeting and an amended regular meeting agenda and consent agenda memorandum will be issued.

ITEMS REMOVED FROM THE CONSENT AGENDA
The Standley Lake Sorter Amendment was removed from the consent agenda and will be placed on the amended regular meeting agenda for August 20, 2020.

EMERGING ISSUES
There were no emerging issues.

ENDS
No items.
BOARD GOVERNANCE
The Chair addressed the Board and noted that the adjustments were prompted by changes in the sunshine law and holding online meetings due to the pandemic. Trustee Lomba, a member of the Bylaws Committee will be addressing the topic.

Trustee Lomba addressed the Board and noted that the Board has had the opportunity over the last week to review the proposed amendments. She provided a summary of the issues including the meeting notification change to online posting, public comment and the online forum for Board meetings.

A. Review proposed adjustments to Bylaws and Sunshine Resolution
1) H.B. 19-1087 Public Meetings – notice – online posting

B. Review Proposed adjustments to Bylaws and Governing Policy 4.3
2) Public Comment/Public Participation at Board Meetings
3) Online Meetings

The following comments and suggestions were acknowledged. More information and recommendations for moving forward will be provided at the next Board meeting.

- **Item: Posting paper notices.** This is more appropriately addressed in policy rather than the Bylaws. The Bylaws reflect legal requirements and how the Board complies. Paper notices are not a legal requirement. The Board Consensus is to post paper notices at libraries and include as a policy.

- **Item: Statement recognizing the value of in-person meetings.** This is better addressed in policy as it is more the “will of the Board” versus a legal “by law” requirement.

- **Item: Regular and Special Meetings.** There was wide ranging discussion regarding Special and Regular meetings and consistency/clarity between Regular and Special meetings.

- **Item: Public Submittal of Presentation Materials/Handouts**
  - Where to submit
  - At the discretion of the Chair
  - Time allowance to submit for a special meeting that may be called with little notice

Trustee Anderson left the meeting at 6:25 pm.

C. Review Policy Governance Monitoring Reports 2.5 through 2.9
In response to a question, the Board was advised that with regard to policy 2.8.8A Board Awareness and Support Fulfilling individual requests for information, the Executive Director acknowledged in the official interpretation that the provision requires her to
address official Board business with the Board as a whole. When reasonable requests for information come from individual Board members, she responds according to her best judgment. Compliance is outlined in the policy as keeping all members informed equally and can do so in her monthly report to the Board.

There were no other comments or questions from the Board regarding the Monitoring Reports.

BOARD SCHEDULE – NEXT MEETINGS

The Chair advised the Board of the executive session planned for the August 20, 2020 meeting and asked all Trustees to please review the information in order to have a productive meeting.

Trustee Bodnar asked the Chair what data and is being evaluated and what criteria is being used regarding in-person Board meetings.

The Chair advised the Board that there are several issues including logistics and accommodating the public in a safe way.

The Executive Director advised the Board that more information will be provided regarding the legal requirements and other challenges related to in-person Board meetings. Some of the issues include the current use of meeting rooms to hold quarantined materials and public access and how many people per square foot can safely be accommodated.

ANNOUNCEMENTS/GENERAL INFORMATION SHARING
The Chair advised the Board that as well as planning for the annual joint meeting with the Foundation, there will be other opportunities for information exchange. There is a request from the Foundation for more dialog. After the Trustees have a chance to review the components of the relationship, which is on the agenda for next week, we will be able to have a much more constructive discussion with the Foundation. It is important to understand the relationship and issues and make sure the Trustees have the background information to understand the issues including ROI. We act as a Board and make decisions as a Board. In the past, working groups were established where the entire Library Board was not involved. The intent for the next meeting and meetings with the Foundation further down the road, is for the entire Library Board to be involved and engaged.

Trustee Lomba noted the video on the opening of the Belmar Library and encouraged the Trustees to view the video as it is very well done and enjoyable.

ADJOURNMENT

FOUNDATION UPDATE
Jo Schantz, Foundation Executive Director, advised the Board that the first sale of the season is underway at the Brass Armadillo Antique Mall. There are three tents and the most recent report indicated there are hundreds of people and $4500 raised. The virtual Denver Post Pen and Podium event is Monday at 7:30 and JCLF has received $1,000. A task force with Foundation Board members has been formed to help find locations for book sales because of the concern about the availability of the Fairgrounds. The Foundation will finish out the year’s book sales events with the fall whale sale. There are modifications due to Covid 19 such as only allowing 50 people in at one time, reservation sign up and the Foundation is considering having a fee to attend. There are many pending grant proposals and the Foundation received $1,000 unsolicited from the Sears Family Charitable Fund. A donor wants to start a named endowment at Rose and contribute $25,000. The Foundation’s 2019 annual report is done and posted on the website. In response to questions the Board was advised that:
   - The Foundation is considering a $5 admission fee for the fall whale sale and expanding the hours to full days on Thursday, Friday and Saturday and six hours on Sunday.
   - The Fairgrounds has not contacted the Foundation directly but the Foundation is unable to make reservations
   - The Library recently adjusted their quarantine of materials to 4 days.

Kim Johnson, Trustee Liaison to the Foundation expressed continued appreciation to Jo Schantz and her team.
EXECUTIVE TEAM OPERATIONAL UPDATES

Executive Director Report
The Executive Director advised the Board that the Library received an accolade from the County noting that our Continuity of Operations Plan (COOP) is one of the best plans in the County. It has helped the Library with its recovery response and weather this storm. The Executive Director expressed appreciation to the Board for their support and authorization to submit the proposed 2021 budget. The Library presented that budget to the Board of County Commissioners on Monday, August 17. The Board was advised that the Executive director is engaged in conversations with a potential donor and expressed appreciation to Trustee Bodnar for making that connection between the donor and the Library. The Executive Director noted that she is encouraging all staff to take vacation time. There are many staff who have been unable to take time off during these many months and to model that encouragement, the Executive Director is planning on taking vacation the first week in September. There is an ongoing study on library materials and how long the virus is active on those materials. Each time a new report comes out the Library makes any necessary adjustments, such as increasing the quarantine time from three to four days. The Library received a report regarding how long the virus lives on discs, CDs and DVDs and has reached out to County Public Health with that information. There might be another shift in the quarantine of materials.

The Chair addressed the Board and stated that the Executive Director certainly deserves the vacation and encouraged her to take that time. There were no questions from the Board about the Executive Director’s report.

Strategy, Engagement and Finance
Finance and Budget (July)
The Executive Director introduced the topic and turned the conversation over to Barbara Long, Assistant Director of Finance and Budget.
Barbara Long provided a summary of the July Financial report and called the Board’s attention to property tax revenue which is very close to budget and does include July’s receipts. Expenses are tracking as usual. There is an item in Table 3 that is special this year in Federal and State Grants. The amount in the year-to-date column is $161,962 and includes the funds received in July for the electric vehicle charging stations at the Belmar Library.

Belmar Project Financial Report
There were no questions from the Board on the Belmar project financial report.
Public Services
Return to In-person Service

The Executive Director introduced the topic and advised the Board that on July 13, JCPL started opening the libraries for the public to come in. It was a massive effort across all divisions and all levels of staff. Julianne Rist, Director of Libraries, will provide information on how people are using those services.

Julianne Rist addressed the Board and noted that the successful effort to provide curbside services and then reopen the libraries could not have been done without the work of every single person who works for JCPL. During the last two months JCPL has created and implemented a new agile process for providing services. We have piloted new services and within a week of offering them we began the evaluation and modification of these new services. Our strategy has remained constant despite the changing conditions. We will provide library services at our physical locations in an incremental manner, responding to current circumstances and changing conditions. At this time I would like to highlight the use of the library, and feedback we have received from our patrons through our customer use survey.

JCPL’s use mirrors that of our neighboring libraries. We are all operating on reduced hours, some other systems are still only offering curbside service or limited in person access such as computer appointments only. All locations are seeing decreases in physical circulation and increases in digital circulation. In July, physical circulation is starting to catch up to 2019 numbers.

Use of digital items has remained high throughout this time. In fact we have already had over 1,000,000 circs for digital items this year. In 2019 it took until the fourth quarter to reach that milestone. Circulation for digital items has seen large increases in both the use and the size of the collection. Digital items saw a very large spike in the first 2 months and then stabilized for the last 2 months. When you combine the increased use in our digital use with the decreases in physical items, circulation is beginning to get closer to our normal monthly numbers. Current year-to-date numbers show we are 15% lower than last year’s total.

The first location opened on July 13, and the eighth location opened on July 29. The number of patrons served by curbside services in July was 27,733 and in-library patrons served was 16,107. We will be watching closely what these numbers do in August which will be the first full month we are open for in person services and having our buildings open to the public.

Customer Use Survey
Beginning June 22 we began asking customers about the library services they were currently receiving during the Pandemic. The surveys were sent to 5% of people who had use the library during the last 90 days and offered in both English and Spanish. 13,613 were sent out during this time and 21% (2,744) completed response were received.

- Sent to 5% of customers who have used the library in the last 90 days
- 5 surveys sent between June 22 – July 23
- 21% completion rate

**Awareness of Library & Library Services**
Since March we have increased our communication with our community so that we can keep everyone updated about library services. The survey shows us that 32.3% of our customers are more aware of library services. And there were a lot of new services to keep our community informed about. We have created ways to work effectively and provide services remotely, digitally and in-person during these challenging and uncertain times. We have collaborated to ensure the well-being of our staff and community. While the buildings closed on March 15, programming was offered digitally and through call in options the next week. The Call Center was answering patrons’ questions by April 4. Book a librarian never took a day off. Nine days after JCPL received notification that we could begin to provide curbsides services, we piloted those services at Standley Lake. We have also expanded or offered new services weekly such as curbside printing, grab and go bundles and summer reading prizes. Two months after offering curbside services we piloted walk in services such as computers, and browsing. The Website was updated with each new service and weekly emails were sent to all card holders to let them know about the services we were offering.

**Digital Resources**
Collections staff immediately shifted some of our purchasing from physical items to digital content back in March. Also many vendors expanded access to titles and content either at no cost or reduced prices. The survey gives us more detailed information about what cardholders are using. Not surprisingly eBooks and eAudio books are the two largest categories. Streaming services such as Kanopy and Hoopla are next. Digital magazines and online learning showed about equal use. The other category includes response such as I don’t use digital resources, or titles of specific magazine such as Consumer Reports, what they were doing such as resumes for a job, or watching a virtual story time.

**Satisfaction Rating**
Nearly 70% of respondents said they are satisfied or very satisfied with how we’re providing resources during this time. 48% of respondents have used curbside-including respondents with early activity during our physical closure. Of those, 85% were satisfied with the experience.
In the comment section of the memo in the Board’s packet, you can see a trend in the early dates of the survey asking for social interaction, in-person services and the ability to browse for items in person. Your memo has a few comments from customers such as Thanks for doing curbside pickup! We really miss the library but understand the barriers to fully opening. Appreciate all the emails about what is going on at the library.

Looking forward we will be continuing the customer survey as part of our evaluation and feedback process to modify how we provide access to library resources. We are regularly adjusting our plans in response to changing conditions and are developing new approaches to meet the current needs of our community. We are currently planning how to modify our services and hours this fall to best support students, parents and other residents in our community. In response to a questions, the Board was advised that:

- In response to the survey the Library received four responses in Spanish.
- The Library is in the midst of evaluating hours going forward and balancing the amount of staffing we have and what it would take to provide in person and curbside with expanded hours.

The Chair noted what a major effort it took to provide these services and the more he heard about what was involved the more realized how huge a task it was. He expressed appreciation to the staff and noted that use has gone up and the trend lines look great. It will be interesting to see how the trends look in the coming months.

Technology and Innovation
Standley Lake Sorter Amendment
The Executive Director introduced the topic and advised the Board that Bernadette Berger, Director of Technology and Innovation, will provide overview of the project and answer the question the Board asked at the meeting last week.

Bernadette Berger addressed the Board and noted that the sorter budget is part of the funds set aside in the ARMs to make sure we fix things before they break and are part of the planned maintenance schedule. The Bibliotheca sorters, including the one at Standley Lake, is past its useful life and replacement parts are not available. Last year, the Library issued an RFP and selected RFID Library Solutions as the vendor for the next three years.

MOTION: Jill Fellman moved that the Library Board of Trustees authorize the Executive Director to sign the contract amendment with RFID Library Solutions, Inc. to complete the Standley Lake sorter replacement project in the amount of $258,275. Seconded by Kim Johnson the motion passed by unanimous vote of all Trustees present.

EMERGING ISSUES
Interpreter Services
Trustee Zarate-Bohorquez addressed the Board and provided demographic information related to the non-English speaking population in Jefferson County. Of the approximately 582,800 people in Jefferson County, 15.6% is Hispanic or Latino and 3.1% is Asian. 89% of the population speaks English while 10.65% speak other languages. Of those that speak other languages, 6.19% of that population in Jefferson County speak Spanish. Trustee Zarate-Bohorquez brought forward the information for the Board’s consideration as a best practice in diversity and inclusion and help to represent the public, to provide interpreting services during the Board meetings. Patrons that would like to be part of the public board meetings could give us notice in advance (72 hours) to see if we can accommodate their languages needs.

The Executive Director expressed appreciation to Trustee Zarate-Bohorquez for bringing this forward. It does fit in with the Library Board’s ends statement to be radically welcoming. She noted that staff would be happy to put that into policy and how to implement translation services, and come back to the Board with recommendations.
The Chair expressed appreciation to Trustee Zarate-Bohorquez for the suggestion and asked for Board consensus for the Executive Director to provide a recommendation. A show of hands indicated all Trustees present were in support of Trustee Zarate-Bohorquez’ request and the Executive Directors’ suggestion to have staff look into the policies and bring this item back to the Board at a future Board meeting.

Information about the Working Relationship with the Jefferson County Library Foundation
The Chair advised the Board that there is information in their packet about the working relationship with the Jefferson County Library Foundation (JCLF). This information includes a diagram describing the entities and relationship and the expired Memorandum of Understanding (MOU). He advised the Board that if they have questions specific to negotiating the agreement (MOU) that discussion will be limited to the Executive Session. The Chair noted that information received from the Foundation can be considered at a later time. There were no questions from the Board.

BOARD SCHEDULE – NEXT MEETINGS
The Chair advised the Board that the Library is proposing to hold the new trustee orientation on September 10, including a policy governance refresher and noted that he is hoping all Trustees can attend. The Chair confirmed that he and Trustees Johnson, Fellman and Zarate-Bohorquez are available on that date.

The Chair noted that the joint meeting with the Board of County Commissioners is scheduled for September 17, and that he will send out the suggested topics for that meeting which are (1) the wonderful news about return to service and (2) the five year capital plan and the Gallagher amendment. The Board was advised that invitations to the meeting have been sent to all Trustees.

2. NEWS AND INFORMATION

This past month, JCLF staff and Board members have been visiting potential sites where we can host future Whale of a Used Book Sales as well as pop-up sales and tent sales. Our Board Task Force -- Ana Rojas-Artica, Deborah Deal, Jessica Nichols and Linda Lovin -- have been instrumental in targeting various locations that may fit our needs.

On August 26, I toured four empty commercial units in Lamar Station Plaza (at Colfax and Lamar Streets in Lakewood), and on September 2, I toured two empty commercial units at Jefferson Marketplace (near C-470 and S. Kipling) in Littleton.

JCLF Board member Tim Rogers up a tour of the Church of the Nazarene at 17th and Dover in Lakewood on September 3rd. I’m also working with FirstBank to hold a future tent sale at the bank’s Belmar branch location.

Our Board has delayed the vote on opening up a used bookstore in Colorado Mills mall until January 2021.

I was a participant in the Colorado Planned Giving Roundtable (CPGR) Summer Symposium on August 27 and 28. This was a virtual conference focused on estate planning, gift annuities and trust funds. I also attended RAISE 2020, a virtual fundraising conference (produced by OneCause), on September 14 and 15.

We have held two Crew Chief meetings to date regarding the many changes we are implementing for the fall Whale of a Used Book Sale. Key staff and volunteers also met with the Fairgrounds staff on Sept. 17 to discuss the mandated public health and safety regulations that we must follow during this pandemic.

FROM: Donna Walker, Executive Director  
RE: Library Board of Trustees In-Person Meetings During Pandemic  
DATE: September 9, 2020

Recommendation:

- Align with our strategy that our first priority during this pandemic is the safety of our community and staff.
- Align with our commitment to use only requirements, recommendations and guidance from official sources for decision-making.
- Agree to revisit this topic at a later date, when Jefferson County applies for Protect our Neighbors status or another similar triggering milestone is reached.

Background Information:

At the August 13th Special Meeting of the Library Board of Trustees, I was asked to determine the necessary criteria to meet in order to schedule and hold in-person public meetings. At the August 20th meeting, Trustees approved an amendment to Policy 4.3 which stated their desire to meet in person as a high value.

Jefferson County is currently operating in the State of Colorado’s Safer At Home executive order which recommends reducing in-person gatherings to the greatest extent possible and maximizing online conferencing. Residents are no longer ordered to stay home, but are strongly advised to stay at home in this order.

In an email sent 8/26/20, Jefferson County Public Health (JCPH) indicated that they were beginning to study what they will need to do to move into the Protect Our Neighbors stage of the COVID-19 response. In this stage, local communities can take on more control over reopening plans based on local conditions and capabilities. Then on September 3rd, a new matrix with updated levels, metrics, and criteria for opening, closing, and moving to each level were drafted by CDPHE with an opportunity for input. The final version of this official matrix is not yet available as of this writing.

The fluctuating nature of this pandemic creates constantly changing criteria around:

- adhering to safety guidance and legal requirements for gatherings,
- availability of library and other public spaces,
- availability of staff and trustees to meet in person,
- requirements for symptom-checking, and
- ability of staff to create a safe, accessible public meeting.

These are some of the many identified issues supporting my recommendation to defer a decision at this time.

RE: Change to memorial naming opportunity at Standley Lake Library

Brigham/Roeske Naming Agreement Amendment

Action Requested:
We are asking the Library Board of Trustees to authorize the Executive Director to amend signage at the Standley Lake Library Outdoor Adventure Space to read: In Loving Memory of Warren A. and Shirley M. Roeske.

Warren and his daughter, Allison Brigham, have collectively donated more than $30,000 over the past four years – a good part of those funds were directed toward the Standley Lake Outdoor Adventure Space, in memory of Warren’s wife and Allison’s mother, Shirley M. Roeske. The Library acknowledged that contribution to Standley Lake with signage indicating that this area was dedicated in memory of Shirley.

Now that Warren has passed away, we would like to change the signage to indicate that this Outdoor Adventure Space is in memory of both Warren and Shirley Roeske. Warren was also a member of JCLF’s Legacy Chapter.

Public Services
TO: Donna Walker, Executive Director  
FROM: Julianne Rist, Director of Libraries  
RE: Gradual return to in-person services  
DATE: September 9, 2020

Summary

Since June we have been providing information to the Library Board of Trustees about the vision and purpose of Jefferson County Public Library’s return to in-person services. Since closing our buildings to the public back in March, JCPL has created and implemented a new agile process for providing services. We are continuing to adjust our services based on data, community input and changing circumstances. We will provide library services at our physical locations in an incremental manner, while keeping the health and safety of our staff and community as our first priority. We will adhere to, and follow, current orders and guidelines from governing authorities.

In-person Library use March 15 – August 31

August was the first full month of offering walk in services, and patrons are happy to be able to come into our buildings once again. Curbside continues to be a popular service accounting for 23% of our visits during August. Prospector is now available for our customers once again with 32 libraries lending materials.

Summer Reading was extended through the end of August to give people more time to finish the program. The preliminary numbers show that we had 18,452 people register and take part in the program.

Other services continue to be popular. From March 15 – August 31 we have presented 480 programs and 12,276 people have participated in a live program or watched a recorded program. The call center has answered 22,203 phone calls and e reference has answered 5,544 emails. Book a Librarian has completed 699 appointments.
Looking ahead

We are currently planning how we can increase the number of hours that walk-in services are offered. In addition, four locations will be serving as early voting polling places (Columbine, Belmar, Standley Lake and Evergreen). We are working on the logistics of how and where to quarantine materials when the meeting rooms are turned over to Elections, and how library services may be impacted.

We will be moving hold lockers and the lending machine that served the Belmar patrons during the closure from the Lakewood parking garage to the Ridge Center in South County this month.

Library staff have been hard at work reinventing our annual Raise a Reader event focusing on early literacy. We will present our first series of in-person programs with outdoor story times at various locations on Saturdays during the month of September as well as virtual programs. We are also piloting a story walk in downtown Arvada, and we have created take home kits so that families can practice the five early literacy activities (play, talk, sing, read and write). Families with kids under five may pick up a kit, take it home, and can have fun with the activities throughout the entire month.

We will restart our net promoter score survey this month. Like the customer use survey that we reported on last month, the net promoter survey acts as a combination of a customer experience survey and a digital comment card. Customers are able to seek answers and contact from staff if they have specific questions or concerns. It will also provide us with an overview of how customers are experiencing the library on an ongoing basis. The survey will be sent to a small percentage of recent users on a weekly basis, not to repeat to any one customer. It is a very quick survey to complete and provides each location with immediate feedback.

Desired Outcomes and Results

Jefferson County Public Library has created new ways to work effectively and provide services remotely, digitally and in-person during these challenging and uncertain times. We have collaborated to ensure the well-being of our staff and community. We have expanded or offered new services weekly such as curbside printing, grab and go bundles and summer reading prizes. At the same time we have implemented an evaluation and feedback process to modify how we provide access to library resources. We are regularly adjusting our plans in response to changing conditions and are developing new approaches to meet the current needs of our community.
