## HPL Knowledge Challenge

### Interview your Adult

Your answers are private, so we do not require answers in your reply. Instead, tell us *about* the interview!

Question 1: What is the first home you remember? Did you live there for your whole childhood, or did you move?

Question 2: What was your favourite food as a child? Is there anything you didn't like as a child that you do now?

Question 3: What was your favourite subject at school? Which was your least favourite?

Question 4: Did you travel as a child? Tell me about a memorable trip.

Question 5: Did you ever get really sick or hurt as a child? What was your recovery like?

Question 6: Who was your first best friend? How did you meet? Who is your best friend now?

Question 7: What was your first job? What did you learn from it?

Question 8: What world events happened when you were a child? Did you know about it at the time? How did it change your life?

Question 9: What do kids today have that you wish you'd had as a child? What did you have as a child that you wish kids had today?

Question 10: Is there a family story that has been passed down through the generations? Do you think it's all true?
