Discussion and possible Board action regarding contracting for fundraising consulting services for a planning study for the Las Vegas-Clark County Library District Foundation’s capital campaign. (Item VII.A.)

Development Director Suzanne Hackett-Morgan presented this item. Ms. Hackett-Morgan stated that it is standard practice for large institutions, particularly those embarking on their inaugural fundraising efforts, to engage the services of an outside consultant for a "planning study." Using a neutral party ensures qualified independent analysis of institutional “readiness” for fundraising and of the fundraising projects’ appeal within the local community. An institution preparing for a campaign rarely conducts planning study interviews using their own development staff, as the potential exists for harming existing relationships or achieving less than candid responses from those interviewed.

The Development Office contacted four fundraising firms, one local and three in California, and requested proposals for conducting the planning study in terms of scope of work, relevant experience, timeframe, and fees.

Three proposals were received, all outlining essentially the same scope of work to be completed in a 10-12 week timeframe. The responding firms were Capital Venture (Las Vegas, NV), Phillips & Associates (Los Angeles), and a combination proposal from Oram Group/Skystone Ryan (San Francisco and Sacramento). The fourth firm, Netzel and Associates, was unable to submit a proposal due to prior commitments. Of the three proposals received, only Capital Venture’s fell within the budgeted amount. Oram Group/Skystone Ryan and Phillips & Associates fees and expenses were 50-100% higher, respectively.

There are additional resources ($9,000) in the Development Department’s budget that can be used for the project and the contract can be negotiated to fall within the revised budget if consensus leans toward selecting the Oram Group/Skystone Ryan.

Hackett-Morgan stated that she recommends the selection of either Capital Venture or Oram Group/Skystone Ryan with her first choice being the Oram Group/Skystone Ryan. Each firm brings different strengths to the project, such as Capital Venture’s familiarity with the Las Vegas philanthropic community and Oram Group/Skystone Ryan’s broad experience working in the library field on projects of similar size and scope. Either would be qualified to conduct the planning study and work with the Development Office and Foundation to position the campaign for success.

Trustee Aguirre asked about the extra expense involved if the Oram Group/Skystone Ryan firm was chosen. Ms. Hackett-Morgan responded
that their fee was $10,000 more than Capital Venture plus travel expenses from northern California. Executive Director Walters added that Counsel Welt would put together a contract specifying the exact number of visits, etc. It was Trustee Wong who had requested that the search include firms with library experience as well as local firms when going out for proposals. Walters stated that he would go along with Ms. Hackett-Morgan’s recommendation to hire Oram Group/Skystone Ryan. Trustee Sponer agreed. Chair Barlow was also in agreement, but requested a future meeting with Ms. Hackett-Morgan where the process and scope of work of the consultants would be explained in detail. He suggested that the funding plan be discussed at the retreat.

Trustee Pohl stated that it is his sentiment to support staff but that he is uncomfortable spending more money for out of state consultants when the service can be obtained locally.

Trustee Aguirre moved to authorize the Executive Director to contract for fundraising consulting services for a Foundation campaign planning study with Oram Group/Skystone Ryan for a fee not to exceed $33,000. Trustee Pohl opposed. The motion was approved.

Deputy Director Ledeboer presented this item. There were no questions from the Trustees. Trustee Carter moved to approve a proposed amnesty program for fines and fees not to exceed $25.00 per cardholder during National Library Week, April 18-24, 2004. There was no opposition and the motion was approved.

Development Director Suzanne Hackett- Morgan and Gallery Services Coordinator Denise Shapiro presented this item.

On September 13, 2002, Dorothy W. Jackson made a gift to the Library District of several pieces of artwork. Among the donated pieces were two paintings by African American artist Hale Woodruff.

Trustee Overstreet moved to pass a Resolution acknowledging Dorothy W. Jackson and to present her with a copy of the Resolution and a Recognition Award. There was no opposition and the motion was approved.

On behalf of the Finance and Audit Committee, Trustee Arthurholtz announced that it was the Committee’s recommendation that Piercy, Bowler, Taylor & Kern be given a contract for auditing services for the
auditor and contracting for auditing services for the fiscal year 2003-04. (Item VII.D.)

fiscal year 2003-04, with options to extend the contract for the two subsequent fiscal years. Deputy Director, C.F.O. Fred James was available to answer any questions from the Trustees. Trustee Aguirre asked for clarification on the hourly cost of each firm culminating in the total cost of the contract. Mr. James explained that the total cost was based on the amount of hours each firm would be expending. Kafoury, Armstrong & Co. had a higher cost/hour with a lower total cost than Piercy, Bowler, Taylor & Kern. However, Piercy, Bowler, Taylor & Kern is giving more hours to the job.

Trustee Sponer moved to authorize the Executive Director to execute a contract for auditing services for the fiscal year 2003-04 with Piercy, Bowler, Taylor & Kern in the amount of $22,220.00, with options to extend the contract for the two subsequent fiscal years. Chair Barlow disclosed that Piercy, Bowler, Taylor & Kern does business with the City of Las Vegas where he is employed. Piercy, Bowler, Taylor & Kern was also the fiscal agent for Councilman Weekly’s campaign in which he was involved but that did not put him in a binding or biased position or prevent him from voting on this item. There was no opposition and the motion was approved.
