

ALL DISTRICT MEMO

TO: All District Employees
FROM: Fred James, Acting Executive Director
DATE: August 10, 2020
SUBJECT: Child Care Option for Library District Staff – Registration Opens Today

This week, our Board of Trustees will consider approval of a Memorandum of Understanding with the city of Las Vegas to provide student support classrooms in seven library locations, including CC, EV, WV, WM at present. If these sites become full, the city will engage services at other Library District facilities including SU, WH, and SW. This effort is in response to the Clark County School District’s reopening plan for all distance learning.

These classrooms, established as “Vegas Strong Academies”, will be run by SafeKey and Ignite staff of the City of Las Vegas’ Department of Youth and Social Innovation.

Full-day programming will be provided Aug. 24, 2020 through Jan. 1, 2021 from 6:30 a.m. to 6:00 p.m., with the exception of all Library District holidays.

This program provides the Las Vegas community a safe, caring and affordable childcare option, which will also provide academic and technical support for distance learning. Each site provides age/grade appropriate academic, artistic and recreational programming. Space is limited due to social distancing and other safety guidelines mandated by the Governor’s Office. Please see the attached instructions to [Register Online](#).

A special feature of this arrangement is that our staff has an opportunity to register in advance of the public for these services.

To ensure city of Las Vegas and Las Vegas-Clark County Library District employees receive preferential seating, **registration is now open for employees only**. In addition, the registration fee will be waived for employees during the priority registration periods. The cost for all academies is \$20 per day per child.

Vegas Strong Academies will be open Monday through Friday, from 6:30 a.m. to 6 p.m. for children who will be in grades Kindergarten through eighth (must be five by Sept. 30, 2020 to be considered Kindergarten) at the following city community center locations:
