**DATE:** **January 7, 2021**  
**SUBJECT:** Confirmed CV19 Case - West Charleston

Good afternoon District Team Members,

Today we learned that two of our employees in the West Charleston Branch tested positive for COVID-19. After making sure the individuals were not in the workplace we want to make sure that our workforce understands we are taking the appropriate steps outlined in our district CV19 protocol to ensure your health and safety. The last days the individuals worked were December 15 & January 6.

Please refer to the COVID Protocol on Voyager (Column D) for appropriate response details.

Thank you for your understanding during this challenging time. Should you have any questions please reach out to your supervisor or Human Resources.
