Mission Statement

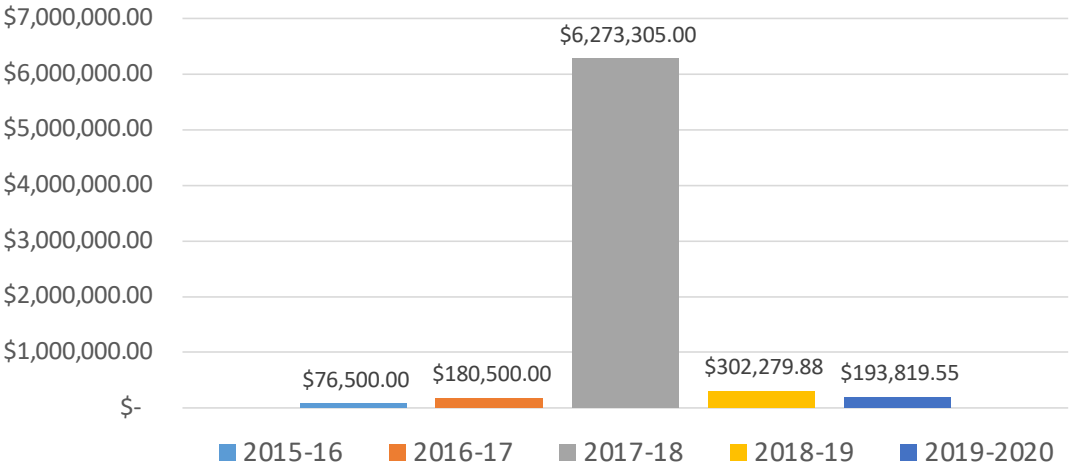

The Las Vegas-Clark County Library District Foundation is the innovation and partnership arm of the Library District, with a mission to expand and amplify the library's community impact by attracting new resources that support library programs and services.

\$12,724,106 RAISED 2015-2020

\$7,026,404 GRANT FUNDING

NV Energy * Cox * Union Pacific * MGM * Best Buy* Bezos * ECAC * Pritzker * Reimagining Workforce * New Markets Tax Credits

GRANT FUNDED PRIORITY PROJECTS

TEACHERS IN LIBRARIES: Teachers in Libraries provides free after-school homework help and tutoring services for students in grades K-12 at eight library branches. CCSD teachers and UNLV students provide over 15,000 hours of homework help to students from over 275 local schools at 13 library branch locations in the Vegas Valley each year.

TEEN TECH CENTERS: The Las Vegas-Clark County Library District Foundation is working to give youth from across the Vegas Valley access to STEAM tools, training, and production experiences to expand their digital skills and prepare them for the next generation workforce. The Teen Tech Labs offer free access to STEAM learning environments and programs allowing youth to create, experiment, and build new technology skills.

RAISING LAS VEGAS: In an effort to bolster early childhood education in Southern Nevada, The Library Foundation works with 15 community partners to connect children 0-5 with brain building resources at branch libraries, home and a growing variety of outreach sites including WIC clinics, childcare centers, and family-nurse home visits.
