Hello, Lawrence! We miss you and are excited to see you again (from six feet away in our fancy masks). We’re working to gradually reopen the library starting Monday, May 18, 2020. Safety is our top priority, so thank you for being so patient. Questions? Email us: accounts@lplks.org.

**PHASE 1 – Begins May 18, 2020**
Pick up your holds and return materials. Library building is closed to the public.

**At-a-glance**
- Library building is closed to the public, but open online 24-7 at www.lplks.org
- HyVee and Checkers book drops are closed
- No library services Sunday-Monday, May 24-25 in observance of Memorial Day
- Main library book drop is open at 7th and Kentucky Streets
- Resume book locker service at Clinton Parkway HyVee
- Returned materials will be quarantined for three days before check-in

**Begin walk-up holds pick up**
If you had holds waiting for you on the shelf before we closed, you’ll be able to pick them up by appointment. We’ll send an email soon with details about this walk-up-only service.

**Begin returning materials**
More than 48,000 library items are currently checked out. To avoid an avalanche of returns, you may take your time returning items to the main library drop. Remember, we’re fine free!

**Fingers crossed...**
We know you’re anxious to start placing new holds again and hope to reopen this service soon. When we do, we’ll announce it at lplks.org, on social media, and in our eNewsletter.

**PHASE 2 – Limited building access and services**
Dates to be determined.

**PHASE 3 – Back to “normal” as the library you know and love**
Dates to be determined.
