Secured property taxes in FY 2019-2020 are forecasted to increase 5.08% over the projected FY 2018-2019 amounts based on estimates from the County Controller's Office, while overall property taxes are forecast to increase 7.14% -- primarily due to an expected 25.87% increase in ERAF reimbursements. All other revenue sources remain relatively flat, with the exception of "Contribution of Cities" -- as the improved performance of property tax revenue continues, the Library District has sufficient revenue to fund a portion of the additional hours previously funded from the cities of Cupertino and Milpitas and the North County Library Authority. The "Budget Rollover from Prior Year" represents projects budgeted in 2018-19 that will not be accomplished until 2019-20. The "Transfer from Reserves" represents FY 2019-2020 projects for which funding was set aside by the JPA Board in its approval of the Technology and Capital Maintenance Plans.
FISCAL YEAR 2019-2020 PERSONNEL REQUEST

The proposed personnel budget of $36,958,430 reflects a $4,677,862 increase from the original JPA-approved Fiscal Year 2018-19 personnel budget. Of this increase, $1,464,173 is the result of salary and benefit increases, $1,950,000 is associated with the positions added to ensure all libraries are open seven days/week, and the $1,263,689 balance is associated with the following proposed personnel actions:

- The addition of one full-time Deputy County Librarian, one full-time Library Services Manager, one full-time Supervising Librarian, one full-time Administrative Assistant to Library Administration.
- The addition of one full-time Management Analyst, one full-time Senior Warehouse Materials Handler, one full-time Stock Clerk, two full-time “floating” Librarians, two full-time “floating” Library Clerks, and one full-time Media Specialist Coordinator (converted from one part-time Media Specialist Coordinator).
- The addition of Library School Student Intern hours to every Community Library.
- The addition of two full-time Protective Services Officers shared between the Campbell, Cupertino, and Milpitas Community Libraries.
- The addition of one full-time Senior Library Clerk and one part-time Janitor at Campbell Community Library (in addition to the JPA-approved staffing for Sunday hours);
- The addition of one half-time Librarian and one half-time Library Clerk for the Cupertino City Council-funded expansion of GoGo Biblio services at Cupertino Community Library and the addition of 445 extra hours for part-time Library Clerks (in addition to the 2.5 Janitor FTE approved in a separate JPA transmittal);
- The addition of one full-time Library Clerk for passport services at Los Altos Community Library (approved in a separate JPA transmittal) and the addition of 740 extra hours for part-time Librarian staff;
- The addition of one full-time Librarian, 1,254 extra hours for part-time Librarians, and additional janitorial hours (in addition to the previously JPA-approved position additions for expanded Sunday hours) at Saratoga Community Library;
- The addition of 690 extra hours for part-time Librarians, in addition to the previously approved addition of one part-time Janitor (offset by a reduction in extra help Library Page hours) at Milpitas Community Library;
- The addition of one part-time Library Assistant at Morgan Hill Community Library (in addition to the previously JPA-approved position additions for Sunday hours) at Morgan Hill Community Library;
- The addition of 995 extra hours for part-time Librarians, in addition to the previously JPA-approved position additions for Sunday hours at Gilroy Community Library.

FUNDING FORMULA PARAMETER ADJUSTMENTS
Fiscal Year 2019-2020

At the October 27, 2016 JPA Board meeting, the Board adopted the following funding formula parameters to the existing funding formula, beginning in Fiscal Year 2017-18:

When a community’s relative percentage of assessed valuation and/or “public service transactions”¹ exceeds their Community Library’s funding formula share by more than 5%, increase these Community Libraries’ staffing and library materials budgets to an amount that would be realized if these differences were limited to 5%, subject to available annual funding from excess fund balance.

¹Public Service Transactions include circulation of library materials, program attendance, reference questions, and computer sessions.

In the Fiscal Year 2019-20 Funding Formula, there is only one instance in which a one-time adjustment could be made.

1) Los Altos’ relative share of assessed valuation is 21.648%, while the formula share is 16.27% -- a difference of 5.378%. If this difference were limited to 5%, Los Altos libraries would receive an additional $36,537 for staffing and $24,567 for materials.

As sufficient unrestricted fund balance is available to fund this increased budget, the 2019-20 Personnel Budget and Books & Materials Budget will be adjusted accordingly.
