“This week I was allowed to wave to him from outside.”

“I moved here to be closer to my disabled son. I was visiting him at least 3 times a week before the virus. Neither of us have the virus to this date, thankfully. The group home takes great care of him and they have a no visitors policy for their protection. I really miss our visits! This week I was allowed to wave to him from outside. I was very happy to be able to see him through the window. I can't wait until this is all over and we can hug our loved ones again!”
