"I don't have any visitors. It gets kind of lonely."

"I can't go anywhere. Right now, there are not a lot of books, I can read. I'm waiting for some online. I don't have people visiting me. I don't have any visitors. It gets kind of lonely. I have a caregiver, who is here with me. It gets really lonesome. I enjoy ebooks and I'm waiting for a couple of ebooks. I can't read too much. I like history books and some novels."
