**“Home for a total of...6 MONTHS?!!”**

“COVID-19. I hate that word. It ruined my life. Schooling from home is so hard. MY teacher isn't teaching me anything physically and more homework keeps coming in before I understand what I'm doing. I haven't even gone outside in the last 3 MONTHS. I am SOOOOO bored at home with nothing to do. And the fact Summer is coming, and I'm going to be stuck in my home haunts me. It is going to be SO hot in my house. And now schools are closed until September which means... I'll be at home for a total of... 6 MONTHS?!! 😱”
