**“These are definitely trying times, but we have made the most out of it by taking walks, sidewalk chalk drawings, some homework sheets, and we truly stick to the MPL virtual circle time on Mondays, Wednesdays, and Fridays (this truly has given us a sense of routine)...”**

“From this reading challenge, I was able to discover OverDrive and now we can borrow eBooks which I have introduced into my toddler’s schedule. Personally, I am a little upset since I am ending my mat leave next month on such a sour note but from this challenging time, as long as I see my kids still smiling then I am fine. The attached photos are my two kids enjoying the outdoors during these times. And truly, I want to thank MPL for putting together the virtual story time and this reading challenge as it allowed us to set a routine and introduced me to new sources! Thank you!!.”
