What was the secret code?

## GRADE 4 TO GRADE 5 CHALLENGES & RESOURCES

### SECRET CHALLENGE

Every week Summer Reading Club participants will receive communication on recommended reads and secret challenges! Keep an eye out on what you need to do to check off these squares.

Read a comic book on Hoopla

[Hoopla](#) is a database that has many comic books, movies, and music that can be accessed any time!

Attend a Meetup!

Every week we will communicate a Zoom meeting ID for participants to join a meetup (divided by each age group) full of fun activities and learning!

Complete an Hour of Code

[Hour of Code](#) is a great way to learn the basics of coding. Choose any activity that interests you!

Write a book review

Using this [template](#) write a book review for something you read this summer. Summarize the book, talk about the main character, write down what you liked and didn't like.

Create your own pokemon

Create your own pokemon and draw it's trading card. Include things like its name, attacks, type, HP, what does it evolve to or from? You can even make your own Pokecard [here](#).

Read a book on OverDrive

Borrow an e-book or e-audiobook from our [OverDrive](#) collection.

Re-write a fairytale

Take a classic fairytale and re-write different parts of it, you can change the ending, the characters, whatever you want!
