DIRECTOR’S REPORT:
Racial Justice and Equity – Recent and past injustices, including George Floyd’s death at the hands of police, have prompted renewed commitments to racial justice and equity here and globally. The Library upholds that commitment and support for Black communities and colleagues. We have work before us as a community and as a public organization to reflect and contribute to change. In the immediate term, we are leaning in to an area of strength—providing access to relevant information. Staff are purchasing and promoting anti-racist titles and related resources, monitoring high demand, and reallocating funds to reduce hold times on these valuable resources. Staff have developed recommended reading lists for youth, adults, and parents to be highlighted on our website and social media. We will explore how to further engage residents in accessing and having dialogue on these resources to better understand the historical context and future solutions to combat racism and white supremacy. We will continue examining the Library’s role, Board policies, and practices to align with goals and solutions. We ask everyone—the Board, staff, community and colleagues—to help us forge a path of racial justice and equity ahead.

Summer Learning Program – On June 8, we launched Summer Break @Home with your Library programs for kids and teens. Highlights of the kids’ program: registrants all receive a participation bag and free book; several types of Read. Make. Do. kits may be picked up to guide at-home activities beginning July 1. Teen program highlights: teen reviews of books and activities; free books and Maker Teen @Home kits may be picked up; prize drawings; and virtual book clubs. Congratulations to children’s and teen librarians for launching a whole new way to support learning, and welcome to all participants in Summer Break!
Modified Library Services Update — In the last month, we added curbside checkout at all libraries and launched computer use at three libraries.

AUDIO-VISUAL MATERIALS CONTRACT EXTENSION:
Ramsey County Library obtains the bulk of its DVDs and music CDs through a primary audio-visual materials vendor, currently Baker & Taylor. The term of Baker & Taylor’s contract will expire on July 31, 2020, with no renewals remaining.

In accordance with Ramsey County policy, Library staff asked the Procurement Office to prepare a solicitation for audio-visual materials vendors. However, the Procurement Office is inundated with solicitation requests utilizing Coronavirus Aid, Relief, and Economic Security (CARES) Act funding, which addresses the economic fallout of the COVID-19 pandemic. The Ramsey County Procurement Manager advised that the Library Board has the authority to extend the current contract for another year with the same terms, which Baker & Taylor has agreed to do.

Willems made a motion to authorize the Library Director to approve the extension of the primary audio-visual materials contract with Baker & Taylor for a one-year period to run from August 1, 2020 through July 31, 2021, with all terms and conditions of the original contract to remain in force. Chang seconded the motion, which was approved unanimously via roll call vote.

2021 LIBRARY BUDGET AND PERFORMANCE MEASURES:
Due to the COVID-19 pandemic and its impact on County revenues, the County Manager will propose a modified 2021 budget. Departments in each service team are asked to accommodate a reduction in spending for 2021. In addition to the work on the 2021 budget, the Library has also drafted a performance measures report as required by all County departments.

Boldenow recommended that the Library achieve any budget reduction targets using unexpended salary and benefit funds and year end reserves. The Library Board concurred with her recommendations.
RAMSEY COUNTY RESIDENTS FIRST SERVICE CENTERS:
The Library Board discussed the Residents First Facilities Plan presented to the Ramsey County Board of Commissioners by County Manager Ryan O’Connor on June 9, 2020. A second workshop is tentatively scheduled for June 23 to continue the discussion.

Boldenow reported that staff are involved in planning for the service centers and learning more about the concept and how it will be implemented in Library facilities. She noted that the Library has been offering the Community Resource Advocates program for the past few years, and almost applied for a grant to imbed a social worker in the Library. The service center model is similar, but utilizes a navigator familiar with all County services rather than a social worker.

The Board members thanked Commissioner McGuire for mentioning the Library Board and its concerns during the workshop, and expressed reassurance after learning more details of the plan. Library Board members shared some uneasiness about mission drift for the Library, and negative associations related to other County functions. Commissioner McGuire thanked the Library Board for listening to the workshop, and assured them that the County Board is very conscious that the suburban-only levy for Library operations cannot be used to fund the service centers.

Neblett reported that County Manager Ryan O’Connor offered to attend a future Library Board meeting to have a conversation with the Board members about the Residents First Facilities Plan and to address Library Board questions and concerns. Staff will invite the County Manager to the August Library Board meeting, and include planning for the meeting on the July agenda.

Boldenow noted that Ramsey County Property Management and Ramsey County Information Services are working with Library staff to install additional infrastructure and safety features to support the service centers. Increasing use of curbside service is straining staff capacity, prompting consideration of patron pickup of requests inside the buildings. No date is scheduled at the current time to fully open buildings, though we are continually adding services.

LIBRARY ROLE IN THE CONTEXT OF RACIAL EQUITY AND PUBLIC HEALTH CRISSES:
The Library and the County have been engaged in advancing racial and health equity. The need to address both of these is particularly pronounced today in the context of COVID-19, George Floyd’s death, and persistent racial inequities. These crises cannot be addressed in one discussion session, but Boldenow asked the Library Board members’ to share their insights on what community members need, and what is the Library’s role in being part of the solution.

Boldenow noted that the Library has increased purchasing of library materials on anti-racism, to meet public demand and to provide current resources on the subject for all ages. The Library Board members suggested programming, partnerships, curated lists of resources for the public, and providing community spaces (when it is safe to do so) as other mission-appropriate responses for the Library. Staff training on local issues and resources was advised, particularly for mental health issues. Programming should encourage community dialogue on issues facing suburban Ramsey County. Commissioner McGuire suggested that the Library Board meet with Ramsey County’s new Racial Equity and Community Engagement Team, which is meeting with staff and community groups.

NEXT MEETING:
Due to availability issues on the scheduled July 15 meeting date, Chiclana-Ayala made a motion to change the next meeting date to July 22, 2020. The meeting will be held virtually, starting at 6:30 p.m. Willems seconded the motion, which was approved unanimously via roll call vote.
ADJOURNMENT:
Neblett adjourned the virtual meeting at 8:00 p.m.

Respectfully Submitted,

Mary Larson
Library Board Coordinator
June Staff Updates: Promoted: Kristie Kamish, to Clerk Typist in Technical Services

Summer Break @ Home with Your Library – Kids and teens are loving the RCL Summer Break! Already, 888 people have requested 1,543 Summer Learning Program participation bags, which each contain a free book. In addition to these bags, we have begun to distribute Read. Make. Do kits and Maker Teen @ Home kits. Kudos to everyone for a great group effort! Children’s and teen librarians have produced creative kits and a thoughtful distribution plan. The kits all sport fun, colorful designs. These and other elements of the Summer Learning Program are made possible by the sponsorship of the Friends of the Ramsey County Libraries. Thanks, all!

Virtual Programs – The Library has over 100 virtual events queued up for the summer. Check out the events calendar on rclreads.org. One highlight is that we are participating in the One Book | One Minnesota program, a statewide book club that invites Minnesotans of all ages to read and discuss a common title. The current title is A Good Time for the Truth: Race in Minnesota, edited by Sun Yung Shin and featuring essays by Minnesota writers of color. In July and August, we will host book club discussions and a reading with Carolyn Holbrook, one of the book’s writers. Our copies are all circulating, but the book is available as a free download on Ebooks Minnesota through August 23.
Friends Update—July 2020

Just as Ramsey County Library needed to quickly pivot to develop modified services due to the pandemic, so too did the Friends. While it is has been discouraging to cancel much-loved events, we remain 100% committed to providing financial and volunteer support to Ramsey County Library and we are keeping our focus on the opportunities as we look to the future.

The Friends staff, board and volunteers are currently hard at work on:

- Personal phone connections with Friends members, processing 2020 membership renewals, and welcoming 18 lapsed members back
- COVID-19 Preparedness Plan to lay out the guidelines for Friends staff and limited volunteers to enter RCL buildings
- Robust online sales at Maplewood and Roseville and new plans for additional online book sale venues to offset revenue losses due to the bookstore closures and cancellation of our fall book sale
- Exploring virtual alternatives for the Friends 2020 Author Luncheon and the 2021 Gala
- Putting the finishing touches on new planned giving materials and expanding our Legacy Circle Program.
- Creating new opportunities for business partnerships
- Seeking new and creative ways to share the Friends impact with library patrons including:
  - Stickers and tags with the Friends logo created for the Summer Learning Program participant bags and take-home kits
  - Friends notes/flyers to add to curbside pick-up bags from online sales
  - Acknowledgment of Friends funded programs and resources in the Explore modified newsletter

We miss interacting with library staff and look forward to the time when it is safe for library operations to open to the public.

Trustee Topic Highlight

## Background:
The Board’s Executive Committee proposes to discuss a Trustee topic at each Board meeting. This may be a review of something from the orientation packet or another source that helps to illuminate Trustee roles. This month, the Board Chair will lead a discussion related to Minnesota’s Open Meeting Law. An informational brief provides background: [https://www.mbfte.org/Forms/WebsiteMenu/openmtg.pdf](https://www.mbfte.org/Forms/WebsiteMenu/openmtg.pdf).

SUBJECT:
2021 Library Operating Budget

BACKGROUND:
Due to the COVID-19 pandemic and its impact on County revenues, the County Manager will propose a modified 2021 budget. At the Library Board’s June meeting, the Director and Board discussed strategies to address possible reductions to the Library’s operating budget. On June 24, the Director met with the County Manager’s budget team. At today’s meeting, the Library Director will update the Board on the Library’s operating budget target.

Next steps in the 2021 budget and performance measure process:

July 31: Final performance measures and budget documents due to Finance.
August 25: County Manager presents 2021 performance measures and supplemental budget to County Board of Commissioners.
September: Service team budget hearings with County Board of Commissioners.
December 15: County Board vote on 2021 supplemental budget and 2021 property tax levy.

BOARD ACTION REQUESTED:

SUBJECT:
2020-2021 Library Capital Improvement Program (CIP) Budget

BACKGROUND:
Every two years, the County develops a Capital Improvement Program (CIP) budget to support capital projects through bond financing. In 2019, the Library requested CIP funds to support a renovation of the library in Maplewood. This major project, with a total budget of $3.77 million, was recommended and approved for CIP funding by the County Board. This project was to be funded in part with Library fund balance ($1 million) and funds from bonding in 2021 ($2.77 million).

However, due to the COVID-19 pandemic and its impact on housing insecurity, the County Manager is proposing to reprioritize bond-financed projects. At this meeting, the Library Director will update the Board on the proposal to fund the renovation at the Library in Maplewood entirely through Library fund balance instead of bond funds.

SUBJECT:
Modified Library Services & County Service Centers

BACKGROUND:
Attached is the latest weekly report tracking some of our current modified Library services. This shows significant growth in curbside service at every library week after week. Public computing, home delivery, and virtual programs and digital resources address key barriers to access for many patrons. In addition to the services listed in this report, staff are distributing creative kits for kids and teens throughout summer. Staff have managed record numbers of returns and phone calls as well. Overall, Library staff are rising to meet increased service demands of various sorts every day.

We are exploring process changes to address unsustainable service growth. Next week or soon thereafter, we will shift to in-person holds pickup and self-checkout in the lobby at RCL-Roseville only. This is a pilot project that will inform whether we move to this model elsewhere.

July 27 is the tentative date for introducing Workforce programming on weekdays in the community program rooms at RCL-Roseville and RCL-Maplewood. Workforce Solutions is partnering with us and three sites at Saint Paul Public Library to ramp up resources for jobs seekers at this time of unprecedented unemployment.

In August, we will also see the integration of Ramsey County Navigators and Financial Assistance staff at three of our libraries: RCL-Maplewood, Shoreview, and Roseville. This is a pilot seeking to connect residents to a wide variety of County services—virtually, through assistance completing forms, or through meeting a Financial Services counselor in the library. We look forward to meeting the new County colleagues joining us at these sites.

Tell us your favorite children's book you've read in the past year. At 2 P.M., join our children's services librarians as they give real-time recommendations.

Facebook:

Rebecca Immich Sullivan: Dory Fantasmagory, Charlie and Mouse, all the Mouse and Mole books, and Unlimited Squirrels. Who is the Mystery reader?

Ramsey County Library: Rebecca Immich Sullivan: Hi Rebecca! If you loved Dory F, you may also like these two early chapter book series with smart and spunky girl leads: Zoey and Sassafras (author Asia Citro) and Ivy + Bean series (Annie Barrows)! More to come...

Ramsey County Library: And more... If you like Charlie and Mouse and Mole and Mole, have you tried the classic Frog and Toad series (Arnold Lobel) with a tender yet often amusing storyline--or Rabbit & Robot (Cisca Bull) with another sweet and humorous friendship!

Rebecca Immich Sullivan: Thanks! We will check these authors out! I already had Frog and Toad books on hold to pick up today.

Katy Heskett Gibbs: My 2nd grader would say Boxcar Children. We are starting Little House on the Prairie next week & that was one of my favorites.

Ramsey County Library: Has your 2nd grader read the new graphic novel reboot of "The Boxcar Children"? https://rdreads.bibliocommons.com/item/show/874850166

Ramsey County Library: "Birchbark House" by local author Louise Erdrich is another great title! https://rdreads.bibliocommons.com/item/show/601112166

Cynthia James Murdoch: The Tomten, Grandfather Twilight, Snow and Rose.

Ramsey County Library: For quiet picture books like The Tomten and Grandfather Twilight try Owl Sees Owl by Laura Godwin or The Little Wolves by Svenja Hermann. https://rdreads.bibliocommons.com/item/show/1301142166

Ramsey County Library: Breadcrumbs by local author Anne Ursu is a lyrical retelling like Snow and Rose! https://rdreads.bibliocommons.com/item/show/966596166

Ramsey County Library: Hello Friends! We are up and running and can’t wait to help you find your next favorite kids book!

Minnesota Youth Reading Awards: Hey Ramsey County Library fans! Don’t forget the Minnesota Youth Reading Awards BIG ANNOUNCEMENT later today! The winners for the Star of the North AND Maud Hart Lovelace Div 1 & 2 are being announced at 5pm on facebook.com/MNYouthRead! Kids from all over the state voted for their favorites, we can’t wait to let them know who wins! Hope to see you there!

Rebecca Immich Sullivan: Thanks! We will check these authors out! I already had Frog and Toad books on hold to pick up today.
Rachel Kamath: Anything Richard Scarry - Right now we're obsessing over the Funniest Story Book Ever.

Ramsey County Library: Hello! Richard Scarry is classic! Sounds like your kids are very detail oriented! You might want to try any of the "Can You See What I See" series, or the "I Spy" books. Both are picture puzzle books where kids have to look for clues. Other great books for kids who love illustrations are anything by Graeme Base, but especially "Animalia".

Rachel Kamath: Ramsey County Library: Thank you!

Ramsey County Library: We also have a list of titles for children celebrating Juneteenth (which is today!). You can find the list here:
https://rcreads.bibliocommons.com/item/show/1661753490

Ramsey County Library: And here's another list for kids for talking about race and anti-racism:

Ramsey County Library: If you have a new reader in the house, here's a new list of books you might enjoy:
https://rcreads.bibliocommons.com/item/show/1633372621_new...

Ashley Updegrove: I looked at the Stephen Shaskan books and she will love them! Thank you for introducing me!

Ramsey County Library: And we're out! Thanks to all our patrons who asked questions, we're so happy to be able to assist you with book recommendations! Tune in to our Facebook page in two weeks for another exciting edition of Facebook Readers Advisory!

Dawn Wiley: Over and over is one I'll always love

Carly McEathron: Pink is for Girls was a huge hit at my elementary school.
Book return notice:
- 3-week checkout periods with up to two renewals have resumed.
- Book returns are open.
- Items will not be checked in for at least 72 hours.

It says trouble playing the video for us...we had gone back to the beginning and we were pausing so maybe that's why? It was moving too fast for us so we needed to pause, any chance the rest will be slower? Also would it be possible to see the finished ... See More

@JessKubs

I typically don’t buy books anymore because I’m an avid @rcreads user & trying to declutter, but I wanted to support blackpublishingpower & local bookstores. So I purchased books by @NifMuhammad, @jesmimi, @rgay, @ijeomaOluo, & @YaaGyasi, from @MoonPalaceBooks, @SemicolonChi,

Our library @rcreads started computer appts a couple weeks ago (they’ve been doing curbside since Mar 23). You can make an appt to use a computer! Strict protocols. Probably one of the most used resources at my library (they are always full). I think they’ve done a great job!

I get that. But the situation in MN is very different than NYC which continues to be an epicenter.

BookManiaLinda @Lindawonder · Jun 16
Of course that’s true. I’m not saying all libraries can do this. It would be incredibly hard in a bigger system. And I don’t want them to do anything more. I just thought it’d highlight what I consider a success story.

Y’all want to hear some good news from me for once? Our library system has just erased everyone’s fines and done away with fines in general. It’s like a freaking year of jubilee over here!!!
