Monthly Report

Administrative Services

March 2020

Gary Sitzman Administrative Services Director

Revenue Summary

- General property tax receipts for February at \$1,028,352 are 11.8% higher than budget for the period. This brings year to date property tax receipts in line with budget expectations at \$1,196,298 or 2.0% of the annual budget.
- Timber tax received through February is \$255,202 or 44.4% of the annual budget. This is \$80,122 more than at this time last year with the positive variance resulting from State timber sales.
- Investment income is slightly less than budget in February at \$80,581 with the yearly outcome highly dependent on market gains in the investment pool. The Federal Reserve lowered interest rates on March 3, trimming the federal funds rate by 0.50 percent to a range of 1-1.25%. This will lessen future investment returns.
- Donation Private Sources at \$42,344 is 40.3% of the annual budget driven by an adjustment to Accounts Receivable to cash basis accounting.
- Other Revenue at \$57,397 in February includes a \$54,769 *Premera Blue Cross* prescription drug rebate from 2019.
- Total Revenue at 2.7% (\$1,660,124) of the annual budget is 16.4% (\$233,424) higher than budget year to date.

Expenditures Summary

- Salaries and Benefits at \$6,104,649 or 16.2% of the annual budget are 2.6% (\$161,291) below budget expectations. Self-insured medical claims were 7.6% higher than the period budget due to large claims; however, this was offset by wages for staff positions budgeted but not yet hired.
- Materials acquisition at 15.8% (\$1,102,749) of the annual budget is consistent with expectations.
- Professional & Contract Services is underspent by 34.6% (\$177,880), driven by timing of when custodial and landscaping expenses are paid versus budgeted.
- Equipment & Furnishings of \$295,831 is 55.6% (\$105,651) higher than budget due to the budget purchase of IT switches in the amount of \$136,628.
- Capital outlays totaling \$187,142 includes \$115,016 for the Service Center Refresh project that carried over from the end of last year.
- Total expenditures is at 15.0% (\$8,484,872) of the annual budget, an overall 0.9% increase of the annual budget compared to prior year.

Administrative Services

April 2020

Gary Sitzman Administrative Services Director

COVID-19 Pandemic Fiscal Management

- Under the Executive Director's declared "Emergency" on March 13, certain competitive bid requirements can be waved but must be communicated to the Board.
 - A strategic decision was made to quickly implement BiblioWeb in order to enhance online library services and content. The BiblioWeb product is proprietary software from BiblioCommons with an estimated cost of \$167,107 (1-year subscription plus implementation). Bid requirements will be waived for this order.
- The community library buildings and service center were closed effective March 13. The following cost-reduction steps have been implemented.
 - o Building HVAC Controls were adjusted to conserve energy.
 - o Security guard services are being maintained to protect unoccupied buildings.
 - o All library buildings including the Service Center were deep cleaned, and custodians continue to perform daily cleaning.
 - Vehicle insurance coverage (except comprehensive) is being suspended on all unused vehicles beginning in April. A hiring freeze was implemented for all positions. Travel for conferences was suspended.

Additional cost-reduction steps are being considered for April.

- Project numbers have been assigned to track certain costs associated with "emergency" management. These added costs may be covered under FEMA or CARES Act.
- Based on a recent cash flow analysis, there is no expectation the Library will need to access funds from the Emergency Reserve Fund this year.

Revenue Summary

- Property tax revenues in March totaled \$2,054,451 which is slightly higher than expected. Snohomish County decided to extend the due date for first-half property taxes to June 1. While this will reduce property tax receipts for the Library in April by an estimated 35-40%, it will not adversely impact the Library's ability to cover operating costs in the near-term.
- Two revenues sources that will likely fall well below budget this year are Print/Copy Services and Investment Income. Pubic copiers are not being used during the Library closure and the Federal Reserve took action to reduce interest rates to near zero as an economic stimulus.
- Total year to date revenue is 6.2% (\$3,809,001) of the annual budget and \$260,451 above budget expectations to date.

Expenditures Summary

- Salaries & Benefits are 24.4% (\$9,189,296) of the annual budget with a quarter of the year complete. Employees were instructed not to report to work through March 28 effective March 17, but to work from home where possible. Wages and benefits were paid to all employees regardless of work status for the balance of the March pay period and this will continue into April. Premera self-insured claims are over budget this month as there are currently three large claims (>\$50,000) in process.
- Materials spending is 22.3% (\$1,564,212) of the annual budget. The Library is pivoting to provide more electronic materials in lieu of physical materials. Materials spending is about 12.7% ahead of last year's spending at this point.
- There is a modest reduction in nearly all cost categories for March resulting from the Library building closures and suspension of programming. Nearly all categories of spending are below budget at this point. A more pronounced reduction of expenditures will be apparent in April's results compared with budget.
- Two new vehicles were purchased in March for a total capital cost of \$70,240. This concludes the budgeted vehicle purchases for the year.
- Total expenditures are 22.5% (\$12,672,697) of the annual budget and are 89.8% of the budget to date.
