*Become a
Friend of the
Freeland Library*

Our library has grown to serve you
better. Join the Friends to help this
valuable community resource
assist us all.

Freeland's public library first opened its doors in donated space in Bettie Bell's dress shop in 1962. Bettie led the community drive for a library building that culminated with the opening of the library in 1994. By 1999, the library was so popular that it was already bursting at the seams and a new drive was begun to increase the size of the library. The new, larger library opened in early 2007 with more space and improved facilities for all, but especially for the children.

Why should I join the Friends?

Everyone needs friends and libraries do too. Sno-Isle provides most of the library's resources but more is always welcomed by the librarians and the community.

Membership dues for the Friends support library activities, events and equipment. Many Friends volunteer by helping with the monthly book sales, donating food for celebrations and by promoting the library, reading and membership.

Any Friend is invited to join the Board and help coordinate library events and fund raising.

Funds from the Friends help support ongoing children's and teen events and provide prizes for the summer reading programs. Activities enjoyed by our community, such as photography and gardening workshops or musical performances, are made possible by the money raised by the Friends.

Yes, I Want To Be a Friend of the Freeland Library
